

And he said unto me, These sayings are faithful and true: and the Lord God of the holy prophets sent his angel to shew unto his servants the things which must shortly be done.

Revelation 22:6

And, behold, I come quickly; and my reward is with me, to give every man according as his work shall be. I am Alpha and Omega, the beginning and the end, the first and the last. Blessed are they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city.

CHAPTER 8

**BECAUSE IT IS WRITTEN, BE YE
HOLY; FOR I AM HOLY.**

1 PETER 1:16

And the four beasts had each of them six wings about him; and they were full of eyes within: and they rest not day and night, saying, Holy, holy, holy, Lord God Almighty, which was, and is, and is to come. Revelation 4:8

Saying, We give thee thanks, O Lord God Almighty, which art, and wast, and art to come; because thou hast taken to thee thy great power, and hast reigned. And the nations were angry, and thy wrath is come, and the time of the dead, that they should be judged, and that thou shouldst give reward unto thy servants the prophets, and to the saints, and them that fear thy name, small and great; and shouldst destroy them which destroy the earth. Revelation 11:17-18

And I heard another out of the altar say, Even so, Lord God Almighty, true and righteous are thy judgments.

PROPHECIES CONCERNING

Psalm 99:9

"THE HOLINESS OF THE LORD GOD ALMIGHTY"

For The Lord Our God Is Holy – Facets Of The Glorified Body

Brethren, I count not myself to have apprehended: but [*this*] one thing [*I do*], forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus. Let us therefore, as many as be perfect, be thus minded: and if in any thing ye be otherwise minded, God shall reveal even this unto you. Nevertheless, whereto we have already attained, let us walk by the same rule, let us mind the same thing. Brethren, be followers together of me, and mark them which walk so as ye have us for an ensample. (For many walk, of whom I have told you often, and now tell you even weeping, [*that they are*] the enemies of the cross of Christ: Whose end [*is*] destruction, whose God [*is their*] belly, and [*whose*] glory [*is*] in their shame, who mind earthly things.) For our conversation is in heaven; from whence also we look for the Saviour, the Lord Jesus Christ: Who shall change our vile body, that it may be fashioned like unto his glorious body, according to the working whereby he is able even to subdue all things unto himself. Philippians 3:13-21

For the earnest expectation of the creature waiteth for the manifestation of the sons of God. For the creature was made subject to vanity, not willingly, but by reason of him who hath subjected [*the same*] in hope, Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. For we know that the whole creation groaneth and travaileth in pain together until now. And not only [*they*], but ourselves also, which have the firstfruits of the Spirit, even we ourselves groan within ourselves, waiting for the adoption, [*to wit*], the redemption of our body. Romans 8:19-23

And I saw thrones, and they sat upon them, and judgment was given unto them: and [*I saw*] the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received [*his*] mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years. But the rest of the dead lived not again until the thousand years were finished. This [*is*] the first resurrection. Blessed and holy [*is*] he that hath part in the first resurrection: on such the second death hath no power, but they shall be priests of God and of Christ, and shall reign with him a thousand years. Revelation 20:4-6

Now if Christ be preached that he rose from the dead, how say some among you that there is no resurrection of the dead? But if there be no resurrection of the dead, then is Christ not risen: And if Christ be not risen, then [*is*] our preaching vain, and your faith [*is*] also vain. Yea, and we are found false witnesses of God; because we have testified of God that he raised up Christ: whom he raised not up, if so be that the dead rise not. For if the dead rise not, then is not Christ raised: And if Christ be not raised, your faith [*is*] vain; ye are yet in your sins. Then they also which are fallen asleep in Christ are perished. If in this life only we have hope in Christ, we are of all men most miserable. But now is Christ risen from the dead, [*and*] become the firstfruits of them that slept. For since by man [*came*] death, by man [*came*] also the resurrection of the dead. For as in Adam all die, even so in Christ shall all be made alive. But every man in his own order: Christ the firstfruits; afterward they that are Christ's at his coming. Then [*cometh*] the end, when he shall have delivered up the kingdom to God, even the Father; when he shall have put down all rule and all authority and power. For he must reign, till he hath put all enemies under his feet. The last enemy [*that*] shall be destroyed [*is*] death. For he hath put all things under his feet. But when he saith, all things are put under [*him, it is*] manifest that he is excepted, which did put all things under him. And when all things shall be subdued unto him, then shall the Son also himself be subject unto him that put all things under him, that God may be all in all. 1 Corinthians 15:12-28

So also [*is*] the resurrection of the dead. It is sown in corruption; it is raised in incorruption: It is sown in dishonour; it is raised in glory: it is sown in weakness; it is raised in power: It is sown a natural body; it is raised a spiritual body. There is a natural body, and there is a spiritual body. And so it is written, The first man Adam was made a living soul; the last Adam [*was made*] a quickening spirit. Howbeit that [*was*] not first which is spiritual, but that which is natural; and afterward that which is spiritual. The first man [*is*] of the earth, earthy: the second man [*is*] the Lord from heaven. As [*is*] the earthy, such [*are*] they also that are earthy: and as [*is*] the heavenly, such [*are*] they also that are heavenly. And as we have borne the image of the earthy, we shall also bear the image of the heavenly. Now this I say, brethren, that flesh and blood cannot inherit the kingdom of God; neither doth corruption inherit incorruption. Behold, I shew you a mystery; We shall not all sleep, but we shall all be changed, In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed. For this corruptible must put on incorruption, and this mortal [*must*] put on immortality. So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory. O death, where [*is*] thy sting? O grave, where [*is*] thy victory? The sting of death [*is*] sin; and the strength of sin [*is*] the law. But thanks [*be*] to God, which giveth us the victory through our Lord Jesus Christ. Therefore, my beloved brethren, be ye steadfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord. 1 Corinthians 15:42-58

Behold, what manner of love the Father hath bestowed upon us, that we should be called the sons of God: therefore the world knoweth us not, because it knew him not. Beloved, now are we the sons of God, and it doth not yet appear what we

shall be: but we know that in what he shall appear, we shall be like him; for we shall see him as he is. And every man that hath this hope in him purifieth himself, even as he is pure. 1 John 3:1-3

For we know that if our earthly house of [this] tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens. For in this we groan, earnestly desiring to be clothed upon with our house which is from heaven: If so be that being clothed we shall not be found naked. For we that are in [this] tabernacle do groan, being burdened: not for that we would be unclothed, but clothed upon, that mortality might be swallowed up of life. Now he that hath wrought us for the selfsame thing [is] God, who also hath given unto us the earnest of the Spirit. Therefore [we are] always confident, knowing that, whilst we are at home in the body, we are absent from the Lord: (For we walk by faith, not by sight:) We are confident, [I say], and willing rather to be absent from the body, and to be present with the Lord. Wherefore we labour, that, whether present or absent, we may be accepted of him. For we must all appear before the judgment seat of Christ; that every one may receive the things [done] in [his] body, according to that he hath done, whether [it be] good or bad. Knowing therefore the terror of the Lord, we persuade men; but we are made manifest unto God; and I trust also are made manifest in your consciences. 2 Corinthians 5:1-11

For as many as are led by the Spirit of God, they are the sons of God. For ye have not received the spirit of bondage again to fear; but ye have received the Spirit of adoption, whereby we cry, Abba, Father. The Spirit itself beareth witness with our spirit, that we are the children of God: And if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with [him], that we may be also glorified together. For I reckon that the sufferings of this present time [are] not worthy [to be compared] with the glory which shall be revealed in us. For the earnest expectation of the creature waiteth for the manifestation of the sons of God. For the creature was made subject to vanity, not willingly, but by reason of him who hath subjected [the same] in hope, Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. For we know that the whole creation groaneth and travaileth in pain together until now. And not only [they], but ourselves also, which have the firstfruits of the Spirit, even we ourselves groan within ourselves, waiting for the adoption, [to wit], the redemption of our body. For we are saved by hope: but hope that is seen is not hope: for what a man seeth, why doth he yet hope for? But if we hope for that we see not, [then] do we with patience wait for [it]. Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. And he that searcheth the hearts knoweth what [is] the mind of the Spirit, because he maketh intercession for the saints according to [the will of] God. And we know that all things work together for good to them that love God, to them who are the called according to [his] purpose. For whom he did foreknow, he also did predestinate [to be] conformed to the image of his Son, that he might be the firstborn among many brethren. Moreover whom he did predestinate, them he also called: and whom he called, them he also justified: and whom he justified, them he also glorified. Romans 8:14-30

The following represents my personal views and understanding on what the Lord is about to do in the earth and amongst the nations. The compilation of these visions are to simply to convey what is in my understanding about the coming of Christ and the fullness of our inheritance in Him which is the reception of the glorified body. Some have stated that I am not "inclusive" but a separatist. That I separate some out from the rest and don't include everyone in God's great plan. Well, my answer would be that the Lord has so separated me OUT from everyone else that I cannot gain ANY inclusion into the "everyone" that remains here! There is nothing in the world of Christendom that has any appeal to me whatsoever. There is nothing in the world that appeals to me at all. My life has been taken up with the living Christ. There is nothing else, no one else. I am not "included" with the masses, I am EXCLUDED, REJECTED, CAST OFF AND DESPISED. How then can I write about inclusion? Instead the Lord has drawn my life out from the earth and HAS included it with those of like precious faith; that following of people after Him who have laid down their lives upon their personal cross and have not feared to let that cross consume them entirely. It is during the time that the cross works its greatest and hardest elements against carnal ambitions that true teaching is gleaned from the Holy Spirit. During the time of aloneness, the times of deepest trial, of deepest rejection, of cruel mocking and scourging by those whom are known in the world of Christendom who know not the refuse of men that have come aside by the hand of the Lord. It is there that the person of Christ forms and takes shape in perfect image in the one so tried. Those who the world rejects as futile the Lord accepts as soldiers.

It is impossible to understand the glorified body without also understanding the Mystery of Unknown Tongues. In Pentecost and by the gifts of the spirit, this is known as speaking in tongues. One cannot fathom the depth of the glorified body we are to receive unless one understands the unknown tongue and its purpose. Presently the Lord has given one vision concerning this which will be placed in the first writing on Unknown Tongues in the Epistle Mysteries section of the site; this is yet to be written. Once we understand what the Lord wants of us in

this area the release of the glorified body will become more than a hope, it will become greatly anticipated. Pentecost, and the speaking of tongues, must give way to something greater in Tabernacles, and that is the aim of this paper and the first one in the Epistle Mysteries on the Mystery of Unknown Tongues. I care not if one has ever experienced this as a gift of intercession or as a manifestation of the Holy Spirit in their life. I will lay out instead what this is leading us towards and why we need to know these things of great importance for our life in this world and in the world to come.

So this writing is sent to those who have been set aside, OUTSIDE all the other systems of men. Outside the little core fellowships that hold truth unrighteously and with an improper defense, to those who know no other boundary outside of the hand of God; to those that have no defense for themselves in this world, but defend themselves in the spirit world with the shield of faith; to those who are recluse both in nature and in daily temptation. They have fixed eyesight. They will not be moved, they are fixed on the person of Jesus and upon no other. It is to those that this writing is sent.

It is sent to those who:

- Knows what it means to be set apart by the Holy Ghost
- Knows what it means to be persecuted for righteousness sake, and to not say a word during that cruelty of mocking, whether it is verbal or by silent rejection.
- Knows what it means to suffer the infamy of being called 'cursed' when in fact the curse they are being called for is actually the all consuming power of the cross.
- Knows what it means to be disfellowshipped by others who do not see the Lord as you do.
- Knows what it means to be found outside of all systems by NO ONE. That NO ONE knows that you are there.
- Knows what it means to be counted daily for the slaughter. As sheep following their shepherd, they find that that very following leads them to greater fellowship in the sufferings of Christ.
- Knows what it means to see the truth of scriptures interpreted by the Holy Spirit and not by carnal reasoning, but that interpretation causes them to be divided from the rest of the world even if they end up with much of the wealth of the world, they are in it, but not of it.
- Knows Christ crucified in their midst which when seen by others becomes a source of ridicule and abandonment as they are called "deceivers" and "whoremongers" when in fact the view of the savior is the real view they have causing them to reject anything otherwise.
- Knows what it means to be drawn up to fellowship with the Lord in spirit because they experienced the cross in power.
- Knows where the true location of the Lord is in spirit even though others say He is elsewhere.
- Knows that there is for them in this world no continuing city, but they wait for one to come.
- Knows that Christ is not yet come in Tabernacles. They know He came in Pentecost, but Pentecost feeds them no more. They no longer see value in the gifts of the spirit as much as they see value in the fullness of His manifestation promised.
- Knows that the coming of Christ in full manifestation is for them and in them and through them if they in turn realize that they only need but wait for that very coming, nothing they do will either speed it up or slow it down, it will be perfect in time for them.

The following set of visions has one new one at the first, which actually was a very old one, one seen in the spirit many long decades ago but refreshed now as the day of His appearing draws near. The rest of the visions come from previous writings where the glorified body is the subject of the visions, so they are repeated here. My purpose in this writing is to offer hope in this time where hope seems to be taken up with fanciful notions of escapism and of rewards that one is never qualified to receive. It is written to those who patiently bear their lives out before the Lord in whatever capacity the Lord requires in this world, whether it be by rags or riches, in want or in power, in either case, it is of the Lord. His promise is sure and His hope will come to us, not as a passing away of what we thought was true, but as a manifestation to our understanding that God promised since

before the world began.

(24 Visions)

(1st Vision)

"I beheld then the tempest and waves and great heat of the lake that burned with fire and brimstone; and within the lake, submerged in its rolling tempest were the souls of the damned. These had received the lake of fire as a lake of deliverance, a lake which was but the means the Lord uses to rid their lives of that which causes them to be separate from their creator, this lake in its fire and heat would remove the bonds which came from partaking of the tree of the knowledge of good and evil. I saw then the individual Overcomers in glorified bodies walking in the air above the flames of the lake, each Overcomer around 2 feet or so above this seething mass below them. The Overcomers in their eternal bodies would bend over at the waist or kneel with one knee down and they would reach down with their arms through the flames into the hearts of the damned. They would grasp the iniquity in their hearts and like long strings of tar they would pull this iniquity out of their hearts thus cleansing them of personal iniquity. As the iniquity was drawn out by the glorified hands of the Overcomers, the flames of the lake would consume the tar strands and would burn them up so that they did not exist. Each and every soul in this lake longed for the flames of the lake to consume them, to deliver them and each one was truly delivered. This is but one of the tasks assigned to the Overcomers once they are glorified, they will deliver the damned from the fall of Adam and will remove from them the curse of personal iniquity (self will). These who are Overcomers are very few in number, but they bear the full weight of the authority of The Ancient of Days, they with His full power and unlimited spirit will do this work restoring all things back unto the Lord in the Kingdom of the Lord. I saw that each Overcomer is unique, a creation of the Lord, each made new as they are as persons. The ability they had to walk above the lake was the same ability they had to walk amongst the nations and also to be seated with The Ancient of Days upon His Throne forever ruling and reigning. The glorified Overcomer had the ability to appear in all of these places at the very same time, there was no restriction as to them appearing over the lake of fire, or on the earth amongst the nations teaching them or upon the Throne ruling and reigning. They had become omnipotent and omniscient as is The Ancient of Days."

(End Vision)

(2nd Vision)

"Then was I taken close to the flames wherein the souls of the damned were being consumed. Brought up close to the intense heat of this fire I saw the flames as though they were individual little wisps of fire, each one a brand or a staff of flame, separate from one another, but together in a mass so that the flames were melded in such a manner as to form the lake that burned with fire and brimstone. I saw that these individual flames, each one separately, WAS THE SOUL IN PERFECTION OF AN OVERCOMER. Each one was an Overcomer who through their life had endured this same fire in the form of trials and tests and in the form of the long time in which they endured such. But these who had partaken first of the fire while they yet lived in their mortal bodies were now made into flames of fire by The Ancient of Days. The very same consuming fire that is The Ancient of Days was also them, but in smaller size, so that there was no differentiating from the fire that was The Ancient of Days and the fires of those who had Overcome and who had earned the right to be made into these flaming brands. These formed this lake of fire and as a conglomerate mass they executed the necessary judgment upon the ungodly and did release them from their debts. The ungodly then died a second time, to that which bound them, even the death found because of the curse of Adam's fall. Death died within the consuming power of these individual flames. So holy were these individual flames that anything untoward or ungodly or wicked that was in the nature of a soul in this chamber of death had no chance of survival. That which was ungodly died. That which was unholy died. That which was wicked died. Nothing was left of the fallen nature of a soul which these flames did consume as they caused death upon humanity to die. When I saw this then I understood that the Overcomers, first partaking of the trials of their own personal cross and of the baptism of Pentecost fire must then be converted and changed themselves into these individual flames, a change which happens when they finally come to tabernacle with The Ancient of Days forever. So it is with the same authority and power of The Ancient of Days, these did come to kill death causing death to die and to set all souls free."

(End Vision)

(3rd Vision)

"I beheld Jesus stand within the arches of the Reuben Gate. He was clothed in simplicity in a garment of

white and He had surrounding Him the light of the City as he was that light. On the outside of the Reuben Gate was the earth for this City had settled upon it. The dust which had been kicked up from the descent of this City had settled and there was a space of distance outwards from the Gate into the soils of the earth. I saw from the right side of the Gate the Army of the Lord walking toward Jesus with great carefulness and very quietly they came to where He was, but not quite up to where he was, they were slightly distanced from Him. As I looked at the earth before the Gate I saw many graves of the dead Saints who had lived and had overcome in their past lives, they who were part of the Two Witness company from days and ages gone by. Their dead bodies lay in graves before the Reuben Gate but they were one with the light of the Lord in Spirit. Then as the Living Christ looked out upon the graves there was a tremendous shaking, a great earthquake and the graves were opened and the Saints whose bodies were dead arose with new Bodies. They, with the Army of the Lord standing to the side joined together and came unto the Lord Jesus Christ who stood within this Gate. A great and mighty resurrection, and each member of the Overcoming company were raised again and were found in bodies eternal, bodies like unto His Body, bodies which would never die. It was to the Reuben Gate that they gathered for they saw the Son and did not die. And the graves were empty."

(End Vision)

(4th Vision)

"And the Angel continued to support me under my right arm and I saw the earth from the vantage point of this elevated position in the atmosphere. I could see the earth and the tumult of the nations in the darkness of their minds. Many storms were raging throughout the earth. And I saw they whom the Lord called His Overcomers, each one standing upon the earth HOLDING UP THEIR HEARTS WITH THEIR HANDS TO THE LORD. Above the earth I saw a huge arm holding a sickle bathed in a beautiful light of gold. The sickle swept over the earth from the East to the West in one motion, held by the arm of a giant. And I heard loud words "COME UP HITHER". Immediately they who were of the Overcoming Company ceased to exist in bodies of flesh and blood upon the earth and they were caught by the sharp edge of the sickle to ascend into the Heavens. They entered into new bodies into an Eternal Glorified state. One thing I noticed was that there were only a very few who were severed from the earth by this sickle. The Overcomers were few on the earth, were the only ones whose eyesight was set heavenward, and they were interspersed through the earth with much distance between them. But when the sickle swept through the earth they were gathered together onto the one single blade of the sickle. They were caught up in Glorified deathless bodies but they still remained ON THE EARTH."

(End Vision)

(5th Vision)

"Then the Angel which supported me took me aside to show me the magnificence of those who would be called "Overcomers". Even these who forsook all things to be like their Lord. I saw in its entire scope the New Jerusalem from the bottom to the top including the foundations as though they were steps going upward and ending at the base of the Gates and the Jasper Wall. Far above the pinnacle of the City on the top of the Mount Zion in the midst of the City I saw a fire enfolding in upon itself and in the midst of the billowing waves of fire a Throne set and One who sat upon the Throne, even the Ancient of Days, The Lord God Almighty, The Great I Am That I Am that Moses knew. As I looked at the fire it began to grow and to envelop other parts of the Holy City. The fire would enlarge and enlarge enveloping more and more of the City. Looking down at the foundation I saw the Overcomers, each individual one climbing up the foundation stones as one would crawl up a staircase. On their heads were flames of fire from the baptism of the Holy Spirit which was given to them by The Lord Jesus Christ when they first began their pilgrimage to become those who would be called "Overcomers". As they clamored up the foundation steps I saw that more and more the fire enfolding itself would lick down upon them, slowly and more and more enveloping them in an even greater measure than the flame of the fire of baptism which they already possessed. As they climbed higher on the foundations the fire would consume them more and more until finally they

came to the top of the foundation stones and they were fully engulfed each one individually in the fire which enfolded in upon itself which was the very same fire in which the Throne of God was set. So when I looked upon God and upon the small Overcomer, the fire was the same, the engulfing of the fire was the same and the Holiness of the individual Overcomer was the same as He who is known as The Ancient of Days. And my heart was shaken greatly at this site as I saw men and women who were but ordinary people be consumed in this fire which enfolded in upon itself. I saw back to the beginning of the climb up the foundation stones that the Overcomers were given POWER from God to enable them to even move their feet, or their arms forward to climb. They were unable to climb except for the power that came from God. This power from God was in two places. The power from God was above them, DRAWING THEM UPWARDS and this power from God was the impetus WITHIN THEM to give them strength to move towards this drawing. As God drew them and as they had impetus to move forward in this drawing they would then climb, otherwise they had no way of having any strength to do so but were unable to even make the first step. This was bare intelligent faith in action, not doubt, and boldness, not fear. That was the power that came from God. As they climbed, the power increased more and more."

(End Vision)

(6th Vision)

"Then I beheld this giant that God is raising up, even this corporate Son descend from Heaven with the light of the City reflected as a rainbow upon the face of the giant and upon the brow and his face was to look upon like the Jasper and the Sardine Stone. The surface of the earth was filled with great tribulation and wars, nation in struggle against nation and men in fearsome measures warring one against the other with large explosions and many destructive things happening to the natural earth. This giant stood with one foot upon the land and one foot upon the sea and cried with a loud voice that time should be no longer."

(End Vision)

(7th Vision)

"Beholding from a distance I could see the Overcomers in full armor scattered throughout the earth, each one separated the one from the other by time and distance. Each member of this company of Overcomers was fully armored in the armor provided to us by Ephesians 6:11-13. But they were distanced through the earth, scattered, separate and not in unity. Above them I saw a beast with 7 heads and 10 horns who held the world and the Overcomers captive in its horrible control. Above the beast was a red dragon in the atmosphere above the earth who was feeding and giving strength to the beast below it. Then above the atmosphere in the very Heaven's itself was the Throne set with the Ancient of Days, even the Lord upon the Throne. The Lord looked down upon the earth and said to the Overcomers, "COME UP HITHER". The Overcomers began to ascend in the Spirit but as soon as they began to ascend, the beast would beat them down keeping them held to the earth. The Overcomers were not able to ascend at the word of the Lord because of the complications of the beast which held them to their carnality in the present world. Then I saw the Lord bend over while upon His Throne and rebuke His Army. Then each one came into perfect rank and order, a column of soldiers who were perfect in every respect in the image of their commander. Immediately when they came in rank they ascended and were caught up even unto the Throne of the Ancient of Days. While they were caught up they were also still upon the earth in bodies of glory, eternal flesh with the life of the living Christ flowing through them in a measure that was not in any restraint. These marched forward from that point in the full measure of the life of Christ in perfect union in Spirit. When I beheld the Lord upon the Throne and the Army in glorified bodies upon the earth they had the same glory, the same perfection, the same holiness as He that sat upon the Throne."

(End Vision)

(8th Vision)

"From this elevated position I was able to see gross darkness covering the entire earth and all nations within it. There was hardly any true witness of the Spirit in the earth except upon the lives of those who

would overcome. These who were Overcomers gathered together to one focal point in the earth and they formed a mass of people who waited for the fullness of the Lord to come and to deliver them from this darkness. And I saw Jesus. As He came to them His Glory enlightened upon them within and without and their bodies changed enabling them to house this unspeakable Glory of the Lord. This company of those who overcame were filled with the same light of Glory as the Lord Jesus Christ who did come a second time in His raised body, even unto them. All around them was the earth enveloped in gross darkness, the nations had no light, the religious systems had false light that was as dark as the gross darkness around them. The governments of men had no answer for the darkness and crime and terror of the dark that enveloped their nations and their ability to govern. But as the Lord did arise upon the Overcomers and did enlighten them they became bright as the Glory of Jesus. Their light did penetrate the darkness, not to overtake it, but to announce to it that the light of the Lord of Glory had come. I saw then waves and waves of the Spirit of the Lord move out through them in the unstoppable love of God. These waves went out to all the peoples of the nations and these waves caused those in darkness to turn and to see the Lord arise upon this overcoming company, and all the nations came to the light and to the brightness of this rising. It was the coming of Christ in His Overcomers, those who would display the love of God without any measure, and to this the nations of the earth were at first startled, but then came to this rising, drawn by the waves of the love of God that came from this glorified company. Not one soul and not one nation was left out of this tremendous love that came in unstoppable waves through the Glorified company of Overcomers."

(End Vision)

(9th Vision)

"As I walked the sky suddenly opened and I beheld the coming of The Lord Jesus Christ. I could see Him descend from heaven with a loud shout from His voice. He was wearing the garments of the great High Priest including the Royal Ephod upon His chest. Upon His brow was a crown of glory and great light and He was covered in glory. He descended through the clouds to the atmosphere of the earth. As He descended the rays of His glory spread outward and downward as rays of bright golden light which illuminated everything on the earth. I saw then that the rays of His glory melted and dissolved everything that man had built. There was nothing of the structures on the earth or of the decisions that man made that endured the rays of glory of the coming of Jesus, everything melted and dissolved right to the soils of the earth and all man had made for the past millenniums of time was dissolved in an instant at the coming of Jesus. The rays went out in every direction from His person, dissolving all that was in the earth. I saw then the rays of glory penetrate with no resistance the soils of the earth. Hidden in the soils of the earth were many precious gems and stones of great value, rubies, diamonds and the like all of which were of great worth. As the rays of His glory penetrated the soils these gems were exposed and they were brought to the surface and they were gathered by the Spirit of the Lord into a cluster which was then caught up and presented to the person of The Lord Jesus Christ as precious gems found deep in the earth, but presented to Him as a reward for Him and for His Glory and Crown."

(10th Vision)

"I saw an individual Overcomer, no one in particular, I just knew they had endured the trials of life and had overcome as Jesus had overcome. The hour of Jesus coming had arrived. I saw Jesus standing in His Glorified body before the Overcomer and from deep within the Overcomer came forth the fullness of the life of the Lord, while the Lord Himself stood before them. So much so did the power and resurrection life of the Lord come forth from inside the core of the Overcomer that Jesus saw clearly His entire complete reflection in the whole person of the Overcomer. I knew that this was for each one who would be counted worthy to partake of the first resurrection, thus having the Lord fully formed in them, but to them He will come in that momentous hour. They in turn reflect perfectly the very person and image of the living Lord."

(End Vision)

(11th Vision)

"I saw the Lord as a great and high mountain and the mountain was the Lord. As a strong stalwart of the Kingdom of God the Lord was seen as a mountain strong and high and mighty. Then by the Spirit of the Lord, not by any force of nature or of men, a stone was cut out of the side of this mountain and it was hurled into the earth. As the stone struck the earth I saw that the kingdoms of men failed in an instant, crushed and destroyed by the stone cut out of this mountain without hands. Every element of man's life in the earth as relates to science, nature and civilization was destroyed by this stone that was hurled by the Spirit of the Lord into the earth. The stone did roll upon the earth and it destroyed everything that man had built. The stone then stopped its motion when the destruction that came of it was completed and the stone grew and swelled and filled the entire earth until the stone covered the earth. I then heard the Lord say: "You shall see this begin."

(End Vision)

(12th Vision)

"I saw then individual members of the Lord's body in the earth, each one in bodies made like unto the body of Jesus which was raised from the tomb. As each one walked forward upon the earth in these new bodies, out of their very bellies, from the central core of their being flowed forth a flowing of the river of life, abundant and pure and holy unto each person who was yet remaining upon the earth so that each person had flowing unto them these abundant living waters. When I saw the individual members of this glorified group who now manifested fully their sonship, I saw that their central core was as a spring of water, a fluid pureness that flowed the holiness of God and the life of God with no duality or taint or sin or any such thing to mark the waters as impure and to dirty them with anything that was of the former way, for the former things were passed away. All things became new as these waters flowed as springs from deep within the bodies of these who were pure."

(13th Vision)

"Being then carried to the outer edge of the atmosphere I beheld the earth in rotation upon its axis and the nations therein in present time. The nations of the earth were searching between themselves for an answer of peace and for an answer to the perplexities that was between them. Mankind had come into great fear and great anger as one nation would rise against another in wrath and in the pressure to preserve their own name and not perish. By carnal reasoning I could see a false peace settle upon the inhabitants of the earth and by the power of men's government safety was declared one to another in some areas while in other areas wars still were being fought with the fear of self preservation. All during this time the earth was in rotation carrying this increase of iniquity and in confusion with a false peace because of men reasoning so among themselves. I saw then from pole to pole a breaking of the earth, a separation from the top of the earth to the bottom, great crevices opened up swallowing some of them and high mountains were formed causing barriers to be created. The earth shook under the tumult of this tearing on its surface and mankind came into great fear and tribulation and no answer was found for the strife that was between them. As such, great flames of fire and great movements of the structure of the earth took place at the very same time. I saw then the Lord Jesus Christ above the earth in the north. As He appeared I could see in the dust of the earth the bodies of the saints which slept animate and come alive and these who were holy unto the Lord came forth out of their graves in a great resurrection, holy and perfect and counted as they who had overcome in the course of their lives. These came forth in the first resurrection being joined with those who stood upon the earth as Overcomers who in the atom structure of their bodies were also animated and glorified and they together came as one man in resurrection power with the life of the ages in them as death for them had passed away. These came together in a great company as one man, completely holy, yet as many who formed one giant that the Lord had raised up, even a corporate Son. This company then began to walk forward upon the earth and whatever was not shaken previous by the breaking of the earth and the fires and shakings that were taking place in this time were consumed completely by this company of holy resurrected ones who walked forward in bodies of light and glory. So nothing then of this present time endured the breaking up of the earth, the shakings and the walking forward of these who had been raised from the dead. Nothing of the rule of man endured this, all came into the fiery judgment of the Lord

through these people who were raised from the dead at the coming of The Lord Jesus Christ. I beheld then as the nations were enveloped in the presence of these holy ones as though they were flames of fire, that in the midst of the fire and in the midst of the tribulation that came to them in the earth that EVERY INHABITANT OF THE EARTH TURNED UP THEIR FACES UPWARDS TO BEHOLD THE COMING OF JESUS FROM THE NORTH. No one then who was touched thus failed to see Christ come as the hope for all mankind. Each person then saw the coming of the Lord and of His Dominion.”

(14th Vision)

“I beheld then a company as ONE MAN coming forth, clothed in dust and earthen vessels. But bursting forth through the soil that they were created in came forth a glory and a power of the risen Lord from within them as a massive and mighty Carbuncle Stone. This stone did emerge, breaking up the earth of their clay vessels and they came forth in bodies made new, bodies that would not die, bodies glorified with the light and glory and honor and power of He whom God did raise from the dead. This one man came forth with this glory, even the glory of God manifested in such a manner as to eternally change the natural course of this earth.”

(15th Vision)

“From the place wherein I was held in the atmosphere I could behold within the City the Mount Zion and upon the top a fire enfolding in upon itself and within the billowing fire a Throne set and ONE who sat upon the Throne, even the Ancient of Days. As I entered into oneness with the company of those who were HOLY I found that I had come into a pre-taste of the Glorified Body. For this was a company who walked in the earth in bodies of light and glory which was promised by our inheritance in our Heavenly Father. The same body of light and glory which Jesus arose with from the tomb and which is promised to those who would inherit everlasting life. These who took part in the 1st resurrection were in these bodies of glory. And I looked out through eyes of my own glorified body and beheld the cursed earth and the spiritual entities of principality and power who were round about the earth’s inhabitants,,,,,”

(16th Vision)

“The entire circumference of the earth was before me as I saw this vision of God. I saw upon the earth, scattered in through the nations, those who would overcome all things and be found in the Lord as ones who obeyed the voice of the Lord and conquered all their own personal iniquity. I saw each one separate from one another by time and distance, each one set aside and confined in their individual processings and being judged by God. In them was the light of the ages, but also in them was the Mystery Of Iniquity at work in contradiction to the new nature within them by which they were created anew. For the new nature as a realm of light in them was emerging, but so also was their own carnality, fuelled by this mystery. So rather than being pure and holy before the Lord, they found defilement, the works of flesh and iniquity, works that were base and foreign to the true spirit of the Lord that they were seeking to be one with. The Overcomers in this vision were greatly defiled. The mass of putrid iniquity was at the full in each one and there was an epic struggle of good verses evil in a Roman’s chapter 7 experience. I saw however that there is just before each Overcome a time coming from Father God. For I saw God. He was above this creation and was concentrating His mind upon the Overcomers in their plight. Bringing forth from within His very person came forth a NEW ANOINTING, A NEW REVELATION. This anointing and this revelation IS NOW JUST BEFORE THE OVERCOMER. I saw God pour forth this new anointing upon the heads of all they that were tagged and readied for His greater purposes in the earth. As they were in this delusion of light verses dark, good verses evil in their very souls, the Spirit of God poured forth this new anointing, this new revelation. The anointing poured forth upon their heads and each one became golden in this anointing of God, even while this war continued. I saw that this anointing is to happen just before Jesus comes bringing the first resurrection by raising from the dead those who are counted as part of the Overcoming company. This was a very peculiar work indeed, one that has not been seen in the earth before.”

This was a very peculiar work indeed, one that has not been seen in the earth before. I beheld then the anointed ones covered in the golden divine holiness of The Father upon the earth. As I saw them I beheld also the Lord upon the Throne in Heaven above them. He leaned forward upon His Throne so that my eyesight saw the Lord from the top of His brow, looking down unto these few whom He had glorified. He spoke and said "BRING FORTH UNTO ME THE EARTH", His voice preceding them. Immediately the glorified anointed ones began to walk forward in that anointing in their new bodies. The earth reeled under this because the walking forward of these anointed ones discomfited and destroyed all that was around them, anything that was not in the glorified state. All that was in the earth, in the world of men, that was not yet shaken came apart and was destroyed by these who did walk forward in this new anointing in new bodies. All that was defiled and abiding in the realms of death and darkness saw this great light, even the light of these who walked forward to deliver unto the Lord a fully restored and redeemed earth."

(18th Vision)

"I beheld then a woman bringing to birth a man who was a child, as the scriptures call this the manchild. The head of the manchild had already appeared in the birthing and the rest of the body of this manchild was soon to follow. As the woman travailed to bring forth this one the dragon was there ready to devour this child as soon as it would be born. I saw however that this will not happen, that this child is ordained to defeat the enemies of the Lord by the power of the resurrection life of Christ that is upon this one that is coming forth, even in this present time in this world of men. This is not a vision of escapism or of rapture, but a vision of the enduring faith of the saints who have patiently waited while the word of the Lord tried them and separated in them flesh from spirit. This manchild which was coming to full birth was without the taint of flesh and as a spirit being filled with the nature and holiness of the living Christ, so did this child come forth fully mature to rule with the Lord in that age that is even dawning, the age of the glorious reign of Christ. As the manchild was born, so the dragon had no power to consume or destroy this one for this one had no taint of sin or iniquity upon himself and was perfect and holy as the Lord is perfect and holy. So perfect in oneness was this manchild with the Lord."

(19th Vision)

"The Lord was above the earth, thrusting downward His arm and His hand, thrusting downward through the lives of men, cleaving in the midst of men that which was unholy, that which was ungodly and of the fallen flesh of man. This was an act of judgment wherein the hand of the Lord moved in such a manner as to bring this judgment to pass. As He judged, mankind was split apart into two. The flesh of man perished in the judgment, but the life of man, that breath of the Lord in man, that which the Lord brought forth into new birth, that part of man remained holy and without fault. Man who had been regenerated by the new birth experience now had also

been separated from that which was ungodly in them. The entire part left was holy unto the Lord. This was the separation true Overcomers desire in that the Lord would remove from them any duality or faction which would war against and contradict the spirit of the Lord. But this thrusting judgment did not stop with the Overcomers, all humanity came into this judgment and all humanity, each in order, had this removed from them also, that which had died in the first Adam, for even as all die in Adam, so all are made alive in Christ, albeit each man in his own order. This was the act of the restitution of all creation spoken by the prophets of old, but in this vision it was a present action of spirit and was complete in its workings and reality. There was no shadow of typology; this was a literal judgment and a literal happening." *"Whom the heaven must receive until the times of restitution of all things, which God hath spoken by the mouth of all his holy prophets since the world began"*

(20th Vision)

"The sword of the Lord, even by the tip of the sword then cleaved apart one side of the larger bone revealing inside it the mass of marrow and the formation of blood. As the Lord's sword had cleaved this apart the marrow became fully visible, so also the formation of the blood which blood was created with the Mystery of Iniquity fully rampant within it. Down deep in the marrow were the platelets of red blood, each based on this earthly body and created as one with the blood of the world since the time of Adam, even until this day. But a change is about to happen. For I saw beneath the platelets of blood in the marrow of the bone a swirling bright cloud of glory, even in seed form, this glory did mass itself and grew and changed into a greater brilliance as it emerged through the platelets of blood and the marrow and came forth even to consume entirely the bones, then the entire body of flesh. What I saw was the change from the natural body to a body now glorified. For the swirling mass that came forth in such a manner was the spirit of the Lord in resurrection power, even fashioning the body like unto His own raised body. When the swirling mass of glory came through the natural platelets of blood, the blood lost their earthly bondages and was changed. The blood did not become blood as it was once before, but it became blood that emerged FROM the swirling mass of glory, it was blood that was made from the blood of the covenant, even the blood of the living Christ who now moved by spirit in the physical frame. This change and this movement of the mass of glory that I saw only took one millisecond in time to do for the entire body to be changed and eternally glorified."

(21st Vision)

"Then saw I the Lord. He stood upon the earth in full regency of His glory and power the full measure of His person was clearly seen even by those who had passed from this world and who died in hope of the resurrection. As the Lord stood upon the earth I saw gathered before Him a little group of people. This group of people were joined with others who were of the same group who had once been alive but had died in times past and who were no longer living on the earth in bodies of flesh and blood. These all together stood before the Lord who Himself was now standing upon the earth in His splendour. The Lord then held out His arm over the heads of these who stood by Him and in the Lord's hand was a cloud of great glory. So great was this weight of glory that the brilliance of it was equalled to the brilliance of the glory of the Lord itself. The glory that He held forth in His hand and over the heads of those who stood before Him was the same glory by which the Lord had now clothed Himself. What I saw was that the hand of the Lord was not in a palm up fashion, but a palm down fashion so that the glory which His hand held was able to descend out of His hand and light upon the heads of the waiting ones. These who then were together an Army were thus brought into the very same brilliance of glory as was the Lord, the brightness was the same, the weight of glory was the same and their bodies were the same. These all became one with the Lord as His Army in the brilliance of glory and in bodies which could not die. So it was, the Lord raised in the first resurrection these who stood by waiting, and they were glorified."

(22nd Vision)

"Then the Overcomers, those who had been cast off by their brethren, were seen as ones who had guarded the Christ in their hearts. As ones who jealously protected Jesus in them, they stood and a transfiguration happened. They took on the appearance suddenly of those who had become glorified. Their bodies and their persons changed in like fashion as Jesus body when the Father animated it from being dead to rise in eternal life. These came forward into the nations of the earth, presenting the Christ unto all men who dwelt in the world and who

were now lighted upon with the light of His brilliant glory. For the Lord purposed that Christ would be seen in this faithful remnant, and then known as men would know the Lord. So Christ would be known and seen in completion upon these faithful few who remained for this very time. This is about to take place in the world of men, even to those who have been cast aside."

(End Vision)

(23rd Vision)

"I saw the candidates for the first resurrection in the earth waiting for the Lord. The first part of this vision is in real time, it is a present happening and it is taking place even now; the latter part shall soon be. (PRESENTLY) - These that were waiting for the Lord were under great judgment as the Lord moved through them and judged them and chastised and scourged them until there was found no more flaws in them. (SOON TO BE) - When this judgment was done they were IMMEDIATELY moved into position in rank and order in the Lord's Army, glorified then with the full authority of their master and commander they marched forth to judge and to destroy all the systems of man and all that man had built up as a renewed tower of pride making a name for themselves. This Army was indestructible because they had first been judged. Now they in turn judged all the systems of man and no system survived. These cleansed the earth by fire of its iniquity and of its pride and removed by the spirit of burning all that was not qualified to be a part of that Kingdom which the Lord does bring."

(End Vision)

(24th Vision)

"The stream of blood coursing through the veins of the Overcomer was defiled, the platelets and the way in which it flowed showed forth the propensity for the iniquitous strain to defile it. As it coursed through the veins of the Overcomer it would cause them to walk according to that defilement. The good thing which was desired in the heart of the Overcomer would not come to fruition because the blood, being unclean, would cause their steps to remain unrighteous. At the moment of the coming of Christ I beheld this new event happen. The pineal gland in the brain of the Overcomer was opened and the course of the blood of The Lord Jesus Christ was introduced into it and then down through the body. The defiled blood gave way to the flowing blood of Christ, the defiled platelets of the Overcomer was removed, erased in but a moment of time, the power of the flow of the blood of Christ into the arteries and veins of the Overcomer was faster than any one motion of the Lord since He raised Christ from the dead and delivered Him from the tomb at that firstfruit resurrection. So it was that the blood of Christ flowed unabated and with full power and authority into the life of the Overcomer glorifying their mortal flesh, corruption putting on incorruption, this mortal putting on immortality; all in but a moment of a second, a moment of time. This is the purpose of the Lord, it shall not be abated nor can anything stop this from happening. The blood defiled will be removed and the blood of Christ will flow instead at the moment of the glorification of the Overcomer, those found faithful at His appearing."

(End Vision)

Three things related to the Overcomers in the glorification process.

First Thing.

Now hear clearly this prophecy. Apply this to your heart and fix it upon your thoughts. This is the culmination of the definition of "glory". The full weight of the person of the Lord God Almighty as to His character and person WILL BE CONCENTRATED UPON EACH AND EVERY SINGLE MEMBER OF THOSE WHO ARE RAISED IN THE FIRST RESURRECTION. All that makes God - GOD will be UPON THEM. The full character, person, glory and weight of He who sits upon the Throne will not just be upon the whole corporate expression of those who comprise the conglomerate tally of the first resurrection. The full character, person, glory and weight of He who sits upon the Throne WILL BE UPON EACH AND EVERY SINGLE SOLE RESURRECTED SON OR DAUGHTER OF GOD. All that is "God" will be upon each one- INDIVIDUALLY. It will be a many membered many mirrored God that is seen, holy myriads of His person. Just think of it! The full weight of His person WILL BE WITHOUT MEASURE UPON YOU. All that makes God - GOD will be YOUR PORTION. The weight of His person, the fullness of His glory is UNLIMITED and that unlimited state WILL BE YOUR GLORIFIED STATE.

When this happens, your physical blood you have now which is tainted with iniquity will be exchanged for His eternal blood without spot and with no taint of anything but only with the life of Father. In your very veins will be this blood of His covenant. Your heart you have now will be glorified to eternally pump the blood of The Lord

Jesus Christ within your very veins and capillaries. There will be NOTHING in you that will anymore be of the old fallen nature! All that once was born of Adam will now be made alive in Christ. And this is a true thing WHICH WILL HAPPEN RIGHT HERE AS YOU TRAVERSE THIS EARTHEN BALL. The world is about to see glorified Sons and Daughters of God emerge in a deathless state, their hearts and bodies pumping the blood of the everlasting covenant within them, AND NOTHING WILL PREVENT THIS FROM TAKING PLACE.

So how do you know if you are part of this company who will be thus glorified? I have prophesied that our trials are about to come to a complete end. That our tribulations will completely cease. How will you know that you will have your trials end and your tribulations completely cease? That you will take part in this first promised resurrection, part of the manchild, part of the Two Witness company? The cessation of trials and tribulations will be one of the signposts of His coming. So how do you know that you are going to be part of that? The answer is simple. Are you enduring now, day by day, the tribulations that come to you at this time? Are you still in the throes of trial, yet you are abiding faithful unto the Lord alone with a gaze fixed only upon Him? Has your eyesight wandered off the Lord at all? If you are faithful to endure daily this that is upon you in tribulation you will be found faithful at His coming and you will share in this promise.

So then, the full weight of the character and the person of God is to be found upon you as an individual.

Second Thing.

All this will happen WHILE THE EARTH IS IN GREAT TRIBULATION. Even as it is now.

THIS GLORIFICATION OF THE OVERCOMERS: Will happen while the world is still in its time of struggle and woe, its time of not finding answers to the problems between them.

THIS GLORIFICATION OF THE OVERCOMERS: Is going to take place right during the time of the present day newscasts of disasters and troubles and wars and rumors of wars with nations rising against nations and kingdoms against kingdoms.

THIS GLORIFICATION OF THE OVERCOMERS: Will begin and end while the world still does not know the Lord or understand His purposes or knows of the true faith of the elect of those who hold to the name of Jesus.

THIS GLORIFICATION OF THE OVERCOMERS: Shall have with it the revelation of those who overcame, the very same people that all the others rejected and cast out. The very same people that were set aside as useless and profane. That blasphemed their religious orders by not submitting to their pastorates or their counsels, schemes and plans.

THIS GLORIFICATION OF THE OVERCOMERS: Comes during the time coming of great financial woe and collapse, of those who hold money as their god and wealth as their safety. When the world finds that it doesn't have enough money to fund their lusts and their needs and their all consuming fleshly desires or fund their wars.

THIS GLORIFICATION OF THE OVERCOMERS: Shall also discomfit totally all the political systems and governments of men. During this time when the governments of the nations are not finding solutions to their problems, the glorified Army of the Lord will make it even worse, for they will cause the systems of men to fail immediately and nothing will be able to be rebuilt in man's governance when the Army of the Lord is revealed. Every plan made will completely collapse in the government of men.

THIS GLORIFICATION OF THE OVERCOMERS: Will destroy the pride of nations. All the nations that are upon the earth will dissolve at this revelation of this little small troop of people, Sons and Daughters WHO FORM THE GOVERNMENT OF THE KINGDOM OF GOD. These after all, are numbered with the 144,000. There will be no room for man's governments when this government is revealed in the earth.

THIS GLORIFICATION OF THE OVERCOMERS: Shall shame every single religious effort of men, whether it be Christendom or any other religion, it will all suddenly become irreparable doctrine which will fall like the ashes of a burning carcass. Every religious effort or exercise of ANY religion, no matter what they call themselves, WILL COMPLETELY COLLAPSE AND END IN SHAME AND IN SORROW OVER WASTED TIME.

THIS GLORIFICATION OF THE OVERCOMERS: Will bring down the pomp and ceremony and glittering gold of kings and queens and dominions of rulership and monarchs and government houses and palaces and embassies all to a sudden and a complete end because a "revelation" will be given to them. When they see this little glorified company of Overcomers, THEY WILL SEE ALL THEY HAVE DONE AS BEING COMPLETELY FUTILE.

Then this shall happen.

THIS GLORIFICATION OF THE OVERCOMERS: Will openly display the great love of the Father, unbounded and real for each and every soul that is alive on the earth at this time beholding this

glorified troop.

THIS GLORIFICATION OF THE OVERCOMERS: Will openly destroy all the works in the world of men and will burn all that man has built up and will completely destroy all the elements and ambitions and plans of any man, nation or kingdom. This is so that men will know that the Kingdom of God is everlasting and that the nations God created are to be brought AS THEY WERE CREATED (minus man's governments) as a "glory" into The New Jerusalem.

THIS GLORIFICATION OF THE OVERCOMERS: Will bring all nations upon the earth to a total standstill. They will stand, and cover their mouths with their hands when they see the power of the Lord and the Glory of His name in this small company of those by whom this revelation will come. Even those who were set aside for such a time as this.

THIS GLORIFICATION OF THE OVERCOMERS: Will begin the millennial reign of Jesus upon the Earth as the King of Kings (overcoming Kings) and Lord of Lords (overcoming Lords). Upon the earth will be one giant little red schoolhouse whose pupils will be the nations and each person therein and all shall be taught the first principles of the doctrine of Christ. UNTIL, all shall know Him, from the least to the greatest.

THIS GLORIFICATION OF THE OVERCOMERS: At the point of glorification, DEATH WILL END IN THIS NATURAL CREATION. That is not to be confused with the workings of the 2nd death which all must go through, but the death that came because of the curse of the fall will end and the earth will enter an Edenic state. Not a state made by global warming, but a state made by an earth once consumed by the fires of God, but now by the new creation life of which Jesus is the head and creator.

THIS GLORIFICATION OF THE OVERCOMERS: Will reveal to mankind the difference between 'flesh' and 'spirit', 'fallen' and 'risen', 'dead' and 'alive'. For the line will be clearly seen as to that which the Lord will bring as a completed new creation verses that which is to be burned by the fires of His judgment. No one will misunderstand this.

Third thing.

The Lord is coming to Glorify us. When He does, this is what will happen.

**** With your glorified body you will **** be clothed with the body of light and glory which will look like you do look now, but at a young age, very perfect in feature if your features are unlovely, and very much perfect in the original creation. The frailty of your natural body now will be gone as you in perfection have a perfect heavenly body.

**** With your glorified body you will **** have the body of Glory which has nothing of the former life subject to death, dying and disease and destruction. This body is a body which will only be filled with the Aonian life of Christ. It is eternal, never aging and perfect.

**** With your glorified body you will **** walk forward in THE FULLNESS OF YOUR INHERITANCE IN GOD. That which Jesus gave us through His atonement will now be your possession. The full inheritance God the Father promises the Saint of God is A GLORIFIED BODY. In that body is the full wealth of God Almighty, nothing lacking of His wealth and of His life.

**** With your glorified body you will **** have the unlimited life of God and the person of God WITHOUT MEASURE UPON YOU INDIVIDUALLY.

**** With your glorified body you will **** have the unlimited life of God and the person of God WITHOUT MEASURE UPON YOU AS A PART OF THE ARMY OF THE LORD.

**** With your glorified body you will **** have power to stop death in those who are of this fallen creation and family members you love and cherish.

**** With your glorified body you will **** have power to grant eternal life to those who come to view the company of Glorified Saints. For they will be so situated in the earth that all nations will come to be taught of them and to receive the life of God through them.

**** With your glorified body you will **** already be granted the rights and privileges that belongs to they that Overcome. This includes a seat upon the Throne of God with Christ as those who rule and reign throughout eternity. Not only so, but power will be granted unto you which will be the power of God in rulership that was granted unto Jesus, albeit still in a subservient measure as God is the only one stated to in time be All in All.

**** With your glorified body you will **** be a part of the 144,000 who have Father's Name written in their foreheads and who follow Jesus withersoever He goes. This is a figurative number which represents the government of God. This government will discomfit and sub serve all the governments and kingdoms in the earth till all are brought into the Kingdom of God.

**** With your glorified body you will **** in this body of Glory be seated eternally upon the Throne with God and walking upon a restored earthen creation all at the same time. Your glorified body will be seen by man on the earth and at the very same time you will be able to walk the halls of glory in the New Jerusalem.

**** With your glorified body you will **** also at the same time be ministering to the dead. To those who are bound in hell and to those who will be cast into the lake that burns with fire and brimstone. Your ministry of life and salvation in Jesus Christ will be ministering in all these realms at the very same time. You will be in a physically glorified body of light and glory but not restricted at all to ministering to those who have left this world through death and are in hell waiting for the lake of fire to cleanse them of death. You in this body will remove this very death.

**** With your glorified body you will **** during this time of ministry HAVE THE GIFT OF MUSIC. Your worship and praise to God will be NEW and in a PERFECT STATE. This will be worship and music that the world has not heard nor perceived and to be honest, we have not yet either!

**** With your glorified body you will **** not have any identity with the world in the realm of money or finance, needs as to the physical body including a dwelling or food or drink.

**** With your glorified body you will **** enter the Heavenly Eternal Feast of the Lord. This feast is the Feast of ingathering, a type and shadow of it shown in the Feast of Tabernacles, however this feast is so very much more.

To be continued.....
