And he said unto me, These sayings are faithful and true: and the Lord God of the holy prophets sent his angel to shew unto his servants the things which must shortly be done.

Revelation 22:6

And, behold, I come quickly; and my reward is with me, to give every man according as his work shall be. I am Alpha and Omega, the beginning and the end, the first and the last. Blessed are they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city.

Revelation 22:13 -14

The Fourth Row of Stones

And the fourth row a beryl, and an onyx, and a jasper: they shall be set in gold in their inclosings. Exodus 28:20

We have now come to the 4th row of Stones. The three stones, the Beryl, the Onyx and the Jasper will now portray to us the next level of life for those that would Overcome all things to be found living in Glorified Bodies manifesting God without measure. There are yet after these 3 stones the two shoulder Stones, the Urim and the Thummin so that means there is yet much for us to study, but the result in the end will be a much greater liberty and directive for our lives thus making the study of The Royal Ephod a much grander and necessary element to our faith.

The Lord revealed to me during this study that there would be those who would greatly advance in their quest to be counted worthy of being called “Overcomers”. I must say that thus far this study has for me brought a greater sensitivity to His Spirit in me as well as a greater knowledge of those things that are of the Spirit of the Lord and those things that are of my own flesh nature or opposing influence. It seems that this study to this point has sharpened my sword so to speak so that the discerning work needed to obey the Lord would be that much more keen than ever before.

The Beryl, the Onyx and the Jasper are found covering Lucifer, the fallen nature in mankind. I will once again demonstrate the difference between the true Stone and the false covering, however I desire to show you these last stones in a different light than the other first 3 rows. For now we will see the Overcomer ON THE EARTH, walking about as those who have been granted the right to rule and reign

with the Lord in Heavenly places, but HERE IN THIS WORLD. The view of the Overcomer here will be that of one ruling DURING THE MILLENNIAL REIGN OF CHRIST. That age that is even now dawning. The hope of creation delivered from the curse of death. My hope is now to write as though we were destined without prejudice from any further need to abide in bodies of death and destruction, but instead to inherit the fullness of our Inheritance in God, GLORIFIED BODIES OF FLESH WITH HIS BLOOD COURSING THROUGH US.

So then to recap, the first row of stones showed the Overcomer's relationship to God from an earthly standpoint as ones that would come to God to be counted worthy to be processed, so they indeed can overcome all things. I demonstrated how one is chosen to walk with God in higher truth and to be counted worthy to forsake all things to gain that greatest of prizes, the Manifestation of the Sons of God.

The second row of stones showed the Overcomer as being IN Heavenly places in the Lord while the Lord discerned the thoughts and intents of their hearts so that they could be pure in motive and function as valuable members of the Body of Christ. We saw demonstrated here in the second row the skillful work of the Sword of the Lord, the discerning of the Holy Ghost in the heart and life of the Overcomer so they can be judged and have removed from them their flesh nature.

The third row of stones showed forth the Overcomer as those who enter a glorified state and have their old natures removed from them by the manifestation of the Sons of God. They come into this Glorified state by exchanging their earthly life and blood for His Glorified Life and Glorified NEW CREATION Blood. The third row of Stones were lacking as a covering on Lucifer because I demonstrated that there was nothing of the Lucifer nature {fallen mankind} that can ever be redeemed, thus a tremendous promise.

The fourth row of stones will now show the Overcomer reigning in the age that is dawning upon the earth, the age of the Sons of God, the age that is known as the Millennial Reign of Christ over all the earth. As those who dwell IN Heaven while being ON the earth. This Row represents the finality of God's working in us to complete what He began, to bring to fruition the victory of Christ by His resurrection, to show forth this giant that would set all creation free from death and the curse that came upon Adam at the garden of Eden. We will see the Earth come back into an Edenic state as it was in the beginning and how Adam himself will be restored to walk with God in the cool of the day. This row of stones is a REAL WORKING. It is a PROMISE FROM GOD TO US. And IT WILL SURELY HAPPEN. For this row CONFIRMS THE RESURRECTION OF CHRIST IN OUR MORTAL BODIES, SO MUCH SO THAT OUR BODIES WILL HAVE TO BE GLORIFIED.

The 4th row of Stones are represented by the Sons of Israel, Dan, Asher and Naphtali, and also the 3 last Names of God,
* Jehovah Tsidkenu - That God would know my integrity.
* Jehovah Rohi, The Lord Our Shepherd, and I will demonstrate how He will Shepherd ALL NATIONS once the Overcomers have with a rod of Iron broken them to shivers.
* Jehovah Shammah - The Lord IS THERE, ALL IN ALL, THE FULLNESS OF ALL THINGS, THE FINAL TEMPLE THAT ALL CREATION IS SWALLOWED UP INTO.

The blood of Christ that now flows in His veins as He intercedes for us at the Right Hand of God will now be seen flowing without restriction through the veins of the Overcomers. This is the revelation of the next 3 stones.

After I am done revealing these next 3 stones, we will begin to see the Urim and the Thummin Stones upon the shoulders of the High Priest bearing the Royal Ephod in TWO WAYS.
1) We will see the Urim and Thummin Stones as to their witness to us while we are working out our salvation one day at a time.
2) We will see the Urim and Thummin Stones and how they work ONCE WE RECEIVE THE FULLNESS OF OUR INHERITANCE AND WILL LIVE ETERNALLY IN GLORIFIED BODIES.
****

Not many days ago the Lord came to me in a word. He asked me if I would be willing to lay down the study of the Mysteries I previously mentioned for a time. I said that I would. He then asked me if I would be willing to teach on the 12 foundation stones of the New Jerusalem. {Please read 1 Kings 11:29 to the end of the chapter, Revelation 3:12 and Revelation 21:2} I said yes. So then, once this is done, we will begin to see the foundations of the New Jerusalem.
