

And he said unto me, These sayings are faithful and true: and the Lord God of the holy prophets sent his angel to shew unto his servants the things which must shortly be done.

Revelation 22:6

And, behold, I come quickly; and my reward is with me, to give every man according as his work shall be. I am Alpha and Omega, the beginning and the end, the first and the last. Blessed are they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city.

Revelation 22:13 -14

The Third Row of Stones

Indulge me a little dear readers as I open to you what I now see in the spirit of the Lord.

For thus saith the LORD of hosts; Yet once, it *is* a little while, and I will shake the heavens, and the earth, and the sea, and the dry *land*;

And I will shake all nations, and the desire of all nations shall come: and I will fill this house with glory, saith the LORD of hosts. [Haggai 2:6,7](#)

Thus far we have covered half of the Ephod, the first top two rows of stones.

The top row, the Sardius, the Topaz and the Carbuncle. This row represented to us the Overcomer as they relate TO the Lord who dwells on the Throne of Glory. The relationship is based from the Overcomer on earth to God in Heaven.

The second row, the Turquoise Emerald, the Sapphire and the Diamond. This row represented to us the Overcomer as they relate to being the fulfillment of hope for fallen creation and for the Lord who would complete His creation. The Overcomer here is seen as a corporate son of God who is a mediator between God and man and man and God. Both God and mankind finds the Overcoming “Troop” as intercessors for both God’s part and man’s part as relates to restoration. They are in the realm of the “air” between God and Man and are interceding for both. Both man and God are being reconciled.

Now we have come to the third row. The Jacinth {Liguire}, the Agate and the Amethyst. This row will

now show forth the Overcomer as coming FROM A SEATED POSITION IN THE THRONE OF GOD. They come forth TO the earth to bring the full hope and desire of all Nations into reality. They come FROM the Heavens. They were of the earth - earthy, but now they are of the Heaven's - Heavenly. These are the Overcomers who have been made to sit together in Heavenly Places in Christ. Ephesians 2:6

The third row of stones, the Ligure, the Agate and the Amethyst are not found on the Ephod of Lucifer. It is during the course of these stones that we see "The Son of Perdition" not being saved by Christ. The fact that the Ephod of Lucifer does not have these stones becomes a tremendous promise to mankind and all of fallen creation for it means their complete deliverance and resurrection into the 3rd World. The World that God is about to create. We will see that there is nothing of the Lucifer spirit in mankind that will endure the display of the third row of stones, Lucifer will be consumed and destroyed as the ONLY thing in all of creation that Jesus will not save.

While I was with them in the world, I kept them in thy name: those that thou gavest me I have kept, and none of them is lost, but the son of perdition; that the scripture might be fulfilled.

John 17:12

It is during the revelation of the 3rd row of stones that we will see all Nations, both those who are alive on the earth now as well as all those who are now extinct in history past come into the Kingdom of God. All mankind will {at the revelation of the Overcomers FROM the Throne of God} come into Eternal Rest. No more remembrance of the Old Nature or the life of the 1st and 2nd World's will remain in humanity. All this from the revelation of the next 3 stones which will are not found anywhere on Lucifer's Ephod.

Remember, Lucifer represents man in his fallen condition.

****NOTE THIS****. We have this perfection coming at the revelation of the next 3 stones of the Ephod. Mankind coming into salvation and the world into a New World with NO death or dying, the curse removed. AND WE STILL HAVE NOT EVEN COME YET TO THE 4TH ROW OF STONES! If the revelation of the Ligure, the Agate and the Amethyst represent humanity and the Nations of the Earth coming into the Kingdom of God, what can the last row represent?!?!

{Vision}

I SAW THE SHINING OF THE LIGUIRE STONE UPON THE EPHOD OF THE LORD AS HE DESCENDED IN HIS COMING TO TAKE HIS PEOPLE UNTO HIMSELF. AND I SAW ALL NATIONS AND ALL THOSE WHO HAD DIED, BOTH SMALL AND GREAT STAND BEFORE THIS LORD AS HE DID DESCEND FROM THE THRONE OF HIS GLORY. AND I SAW AS HE CAME A GREAT REJOICING ON THE EARTH AND UNDER THE EARTH FOR THE DESIRE OF ALL NATIONS HAD COME. AND ALL NATIONS CAME TO THE DECLARATION OF THE LORD WHICH HAD COME TO BEGIN THIS NEW DAY.
